**For More Fun and Learning:**

- Hi Everyone! I am leaving on vacation this week with my family in Costa Rica – wow, what an adventure! I will be returning home on Sunday, February 27 so I am posting this coloring page early. A special thanks to [www.hermanoleon.org](http://www.hermanoleon.org) for the neat picture you see here on the left of Jesus and the Samaritan Woman. Jesus promised us “the water of life” – we are saved forever through our belief and our love for Him. Water is such an important part of life...look around you this week and see what a big part water plays in our lives. What would we do without water?! Thanks be to God for the gift of

water, and for the gift He gave us when He sent His son to save you and I!

- **How are you doing on your Lenten promises to Jesus?** Visit <http://www.catholicmom.com/lent.htm> for Lenten resources.
- Is there something in your life that needs to be transformed or changed? Draw a picture of the “new you”! Why not try doing something special for Mom this week by “transfiguring” a room in your home – pick up your bedroom, clean up your toys, or even help with the dishes. This little act of love and service is a prayer and a special way to say “I love you” to both Jesus and your mother!
- We have new word games for this Sunday’s Gospel. You can find them by clicking on the links below.
